

One Night One Moment

Sometimes life is not all it can be,
And here we are,
Wondering just how far this road can lead,
And here we are
And from the Darkness shines a bright burning star,
And who we are is changing within our hearts

One night,
one moment and everything's changed
(one night, one moment)
One night one moment,
And everything's changed

Tonight is so pure and so special,
We'll never be lonely again,
'cause we are all standing together,
As friends,
Oooooooooooooo

And we are all changing forever,
One night, One moment!
